**Title: "It's Moerke's Fault"**

I had been trying to come up with something to write about this month. Then one day it dawned on me while in my basement workshop. On the wall I face behind my workbench, there are pictures of the cars I have really liked over the years. Not pictures of the base model Gran Prix that I bought when first starting to sell insurance, or the Olds Custom Cruisers that we had when our family was young, or the junkers I had in high school and college. These are the pictures of the fun, sporty cars that were sprinkled into my life at different times. It got me thinking that I never went out looking for these cars - they all just popped into my life!

The oldest pic on the wall is one of my wife Mary and me standing next to a '59 MGA. I bought it from a guy that I worked with on a summer job in 1968. It had a small dent in the rear fender, and his insurance company had totaled it; so, he sold it to me pretty cheap. I think I paid him \$200, and it ran well. As winter approached, I traded it to a fraternity brother for a '62 Ford Falcon. I don't have a picture of that. The next car picture is a '61 or '62 MGA. Standing next to that car is my son Nate who was 2 at the time. I bought it from a friend in Lindstrom, MN with just primer paint on it. I still remember that I painted it a Cadillac color called "Nottingham Green Firemist". That was not at all like a BRG but looked pretty nice with the white top I put on it.

With a growing family, I ended up selling the MG to a guy in Edina that was a franchiser of hair salons (I think it was Fantastic Sam's). He had purchased it for his wife. He was a pretty big guy, and I remember driving it to his house for him. I still wonder if that's sitting in a garage somewhere. My last MGA was a black one that I bought from my wife's cousin's boyfriend (got that?), whom I met at a family gathering. I drove that for a couple years but had to sell it. I needed some money to fix a basement wall that caved in on one of my not-so-smart purchases of an old rental duplex in Minneapolis. A guy from Florida bought that sight unseen from an ad I placed in the Star Trib. He had it picked up by a car carrier, brought it to the East coast somewhere, and shipped it back to England for sale. I slipped a note under the driver's carpet with my name and contact info on it. Never heard from anyone. Thought I might end up with a pen pal - bummer.

My current car is the AH 3000; and again it fell into my life, just as the other ones had. My neighbor made me buy it from him...I swear to my wife that it wasn't my fault. I was NOT looking for a car; but it was sent to me, just like the other ones were. I had to buy it! The other sweet car I bought last summer is not my fault for buying either. It's the **Moerke's** fault. They showed up with "June's Jag" XK8 at one of our gatherings - a sweet red of course. Nice car. So I go home and innocently go "on-line" just to see what they're going for. I find a really nice one with only 13,000 miles on it at a great price. I had to at least go look at it. Well, I maybe shouldn't have looked; and, OK Mary, I might be a little to blame for this one. I still think it's the **Moerke's** fault - although they bought it from the **Stadthers**, so they are partly to blame too. Plus, we have a 4-car garage, and it only had 3 cars and a go-kart in it. I knew I shouldn't be wasting space like that. So what could I do? I HAD to buy it!

Probably like the rest of you, I wonder sometimes how I got into English cars. Hey, I'm German, so why not Porsche's or VW's? I think the Creator has a plan for all of us, and that's the reason he always sent me English cars. So, maybe no one is to blame; and it's all part of the circle of life. If your story is like mine, our cars were sent to us for a reason. I now know that I finally ended up with the Healey because I was being directed to the MAHC by a higher power. God knew I was a lonely person that needed to meet some very nice people - like the ones in the MAHC.

WOW, that's my story and I'm sticking to it. Thanks for letting me join your club. I'm looking forward to another great car summer. See you at PIE in April !

## The Presidents Informal Evening

President Dave called the March 1<sup>st</sup> meeting to order at 7:25 pm. There was a lengthy description of a recent open house attended by members of Mt. Olivet Church. Four members of our club attended – Dan Powell, Rich Stadther, Dave Hatzung, and brother John Hatzung. The location was an “estate” in Minnetonka with many large buildings – and with lots of collectible cars !

Greg Lauser reported that Rendezvous registrations totaled 24 at this time. There are still more volunteers needed for the event.

Next event will be the Tech Session at Scott McQueen’s garage. It promises to be an interesting time inspecting his race car and other memorabilia. Starts at 10:00 am. April PIE will be on the second Wednesday - April 12<sup>th</sup> – this month only.

Jim Kriz reported that the club has 76 members paid up for 2017. More to come.

Dan Powell described a trip to California recently with Jeff Johnk and Mike Manser. They visited several car museums and other sites. At one site, a guy pulled up on a motorcycle with a side car. The guys walked over to see it. Turned out that Jay Leno was driving it ! They had a nice conversation. Wow!

Then it was Hot Wheels Race Time ! Tom & Jane had the track all set up, and the competition was furious – no casualties, however. See pics on next page.

Attendees: Willodsons, Ronnings, Rixens, Hazen/Schuler, Herreid/Walmer, Powell, Lombard, Stadther, Kriz, Lausers, McQueen, Moerkes, Politiski, Rossis, Wetzels, Andersons, Rademacher, Westbergs, Hatzung.

Guests: Dave Kemp, Tania Sutton, & Julian.

## Fallon

PIE is one of the great things about our Healey club. Once a month we get together for a short business meeting with the President, then lots of Healey talk and camaraderie. The room at Josephs Restaurant is very conducive to such a meeting - good food and drinks.

Also one of the other ingredients is our usual waitress - Fallon. She is very personable and cheerful, and seems to remember most people’s drinks - i.e., the vintage race car guys usually get their gin & tonics without ordering!

Fallon works at two different restaurants. Born and raised in St. Paul, she has worked at Josephs for about 4 years. Fallon is studying nursing at Century College with the goal of being a Registered Nurse. By the pleasant way she deals with people, we can see that Fallon will be a great nurse. Best wishes to her !

Tom P.

## **Tech Session: Scott McQueens Man Cave**

By Dan Powell

This annual (so far at least) event took place at Scott McQueen's carriage house near the U of M and was attended by approximately twenty-five club members. Upon arriving we were met by Caribou coffee (dark and light roast), the world's largest rolls/donuts, and the option of a late morning bloody mary... a very civilized event!

The program of the day consisted of five parts. Part one was a look around Scott's man cave, which has hours of memorabilia - mostly Healey related - to linger on. Part two was a viewing of Scott's cars in the garage portion: Street Healey, Healey race car, and Jag E-type coupe... drool bibs should have been provided.

Part three was a presentation on metal shaping by Scott Ingram. He explained how to weld and manipulate aluminum and sheet steel in terms that even I understood. Having tried aluminum welding in the past, I consider what he can do with metal to be magic!

Part four was a Power Point presentation by Scott on his current BN7 tri-carb restoration project at Fourintune. This car had always lived in Duluth and showed it when disassembled. Tom Kovacs thinks the car should be done by late spring.

Part five was an additional Power Point presentation on the history of Scott's new Healey race car. I doubt that any other Healey has as much documented history as #106. Part six (you thought there were only five parts, right?) was general conversation between members regarding plans and/or wish lists for the coming year. If you were there, you know that it was a fun time. If you weren't there, you should plan to attend next year - assuming we can convince Scott to host another gathering.

Attendees:

Rod Richert, Chuck Norton, Greg Willodson, Jeff Johnk, Mike Martin, Dan Powell, Steve Rixen, Eileen & Gary Wetzel, Rich Stadther, Gary Oster, Tom Politiski, Bob Rolfes, Jeff Lombard, Jim Manion, Dave Herreid, Mike Smith (& friend), Gary Ronning, Jim Kriz, Dave Hatzung, John Hatzung, and Scott McQueen.

The shores of Sugar Lake and banks of the Mississippi in Grand Rapids beckon you to "Race to the Rapids" for the 2017 Vintage Sports Car Rendezvous June 1-4.

With Sugar Lake Lodge as the focal point of weekend activities and accommodations at other Grand Rapids inns, there are plenty of rooms for everyone to enjoy the hospitality of the Minnesota Austin-Healey Club and citizens of the Greater Grand Rapids area.

Those wanting an early start on the weekend, can arrange a relaxing – or at least challenging – round of golf Thursday at the lodge's 18-hole course. Tee times can be made directly with the pro shop. The official good times begin Thursday afternoon with registration from 3-7:30 p.m. At 8 p.m., welcoming hospitality begins at the lodge with refreshments, announcements and activities that renew existing friendships and foster new ones.

Friday will dawn on a variety of activities. Gymkhana enthusiasts will gather at 9 a.m. for the drivers' meeting at the Grand Rapids Airport, followed by pulse-pounding runs until 3 p.m. on an autocross artfully designed by Greg Willodson. If you prefer more sublime driving, take one of several self-guided tours of the surroundings, or meander into downtown Grand Rapids for nearby shopping and lunch.

Friday's "Sweet Sixteen" Downtown Car Show will be a fundraiser for Grand Rapids area Boy Scouts.

Starting at 3:30 p.m., Dave Herreid's team will begin aligning our sports cars around the Grand Rapids town square for a 4-7 p.m. "Sweet Sixteen" Downtown Car Show benefiting the local Boy Scouts troop. Each driver will receive a bucket with their registration number on it to place before their car. Townspeople and tourists will be encouraged to cast as many votes as they wish for their favorites using \$1 bills to buy ballots. All proceeds go directly to the scouts. Car owners also may vote for their cars as often as they like. The byword

is "Vote Early & Often" – just like they do in Chicago. The 16 sports cars receiving the most ballots will be recognized at Saturday's awards dinner. Food and beverage options will be available on the square and at local restaurants throughout the late afternoon and early evening.

Saturday morning is all about rallying or otherwise enjoying the beauty of the area. Afternoon highlights include a Lakeshore Show & Shine, Wine & Cheese Party and Tech Sessions for the guys. That evening's happy hour and awards dinner will cap weekend activities.

The more the merrier and the quicker we'll start our thirteenth year of highway clean-ups. Once everyone has "rested" at the modern facilities, we'll go north one mile to Villa Maria Roadside Park to distribute safety vests and garbage bags.

Those who participate will receive a free lunch for representing the club in this civic activity. Local weather wizards are predicting mid-70s with a chance of showers. After the pickup is completed we'll adjourn to a nearby eatery for lunch. Look forward to seeing you at Veterans Highway Park Saturday, May 6.
