President Dave Hatzung's  
**Very Presidential Column**

What a great summer 2018 has been!

Cars seem to be a big part of it for me in some way or another. So far this summer, **Mary** and I celebrated our 50<sup>th</sup> Wedding Anniversary. For that, our kids threw us a heck of a party. One of the highlights (besides the dancing couple **Steve and Kim Rixen** showing up) was the band we had. What a band! Of course, having just attended the **ZZ Top** concert (the last band I saw in person was Jan & Dean at the Wisconsin State Fair in a side tent in 1965), I had to have them play one of their tunes... "Pearl Necklace". Then I gave Mary her gift, which was ...guess what????... yes, a pearl necklace! This brings me back to **ZZ Top**. They featured a '33 Ford chopped coupe customized back in the 80's- called the **Eliminator**- on their album covers. Almost makes you want to add one of those to your collection!

Just six days prior to that party, my friends at the insurance agency threw a birthday party. They gave me a present...a racing helmet, visor, and "fast", not "cheap" sunglasses (get it??? "cheap sunglasses" are from another cool ZZ song). The helmet is for the upcoming autocrosses. YES, the Ratget (that's a ratrod MG Midget) is almost ready to race! Look out **Phil Dawson**, someone is going to be right on your Sprite's tail!

I've actually thought that wow, after these big life events, August might not be as crazy. In reality, there is a lot coming up. Our **Minnesota Austin Healey Club (MAHC)** stays busy and our events are what make us a pretty special group. Be sure to check the newsletter and website calendars to update yours. There are a lot of events you need to be planning on attending. These events are opportunities that are most likely on your bucket list. They are on mine. Like I've said many times, the MAHC has changed my life because of all the opportunities it gives me to do things that might only be in the dreams of most people. Don't start crying please.

Most of the other people in our club have been members for many years, but this is still a pretty new thing for me. Just remember how we need to take advantage of the days we are blessed with and of our Minnesota summers. One last thing - that is to be sure to plan on attending the 2019 Conclave. At our next few Wednesday night PIE monthly meetings, we'll be discussing how you can each share your time and talents in making it one of the greatest Conclaves ever.

Take care.... Dave

# The Presidents Informal Evening

By Kim Rixen

This month, we welcomed some visitors from St. Ansgar, Iowa. Lynn and Diane Luepke were visiting family and stopped by for the meeting. Lynn has a 1963 big Healey that's in need of restoration. He's had it for 30 some years and wants to see it back on the road. He brought photos of his diamond in the rough and told the club he plans to put a Ford engine in it, rather than the "six-cylinder anchor."

In addition to the Healey, they're also housing their daughter's MGB GT and a parts car MG. Lynn also has a 37 Ford pick up truck. Diane's favorite is her trusty Jeep that's seen more than 300,000 miles.

President Dave Hatzung recapped the events from June -- the Greenways' retirement party, the Thunder Bay Rendezvous, the Intermarque Picnic (sponsored by MAHC and hosted by Greg and Suzanne Willodson), and the Amery Autocross and Speed Run.

Eileen Wetzel unveiled a Conclave 2019 banner, to be used at Conclave 2018. Healey in the Hills will take place in Deadwood, South Dakota September 7-12, 2019. Eileen and Gary were leaving this week for the 2018 Conclave in French Lick, Indiana. Eileen will be making a presentation about the Black Hills event. She and Gary reminded everyone that there will be plenty of volunteer opportunities.

Big Healeys and open-wheel cars the weekend of July 20, Mike and Gloria Lynch's Mexican Fiesta on July 29, another InterMarque picnic July 29, Dave Herreid and Daphne Walmer's Pizza Party, and more. See the calendar for details. Tom Hazen Other upcoming events in July and early August: Road America vintage racing featuring club members in their reminded club members that registration is open for the 2018 Waumandee Hill Climb.

In attendance: Dave Hatzung, Greg and Suzanne Willodson, Dan Powell, Nancy and Greg Lauser, Tom Moerke, Dick Matthews, Kim Rixen, Phil Dawson, Carl and Betty Stine, Daphne Walmer and Dave Herreid, Rich and Liz Stadther, Jim Manion, and Andy Lindberg.

## Conclave 2018 Report

By Eileen Wetzel

Conclave 2018 had us all “Back Home Again in Indiana” in French Lick. The headquarters were at the majestically restored **French Lick Resort**. It was lovely. The week was hot and humid, but the large lobby full of overstuffed chairs and couches gave respite from the heat and provided gathering places for friends. The large porch was shady in the afternoon; and one could sit and rock in one of a couple dozen rocking chairs and watch the world go by or sit on more comfy seating arrangements.

Monday was the car show which was staged at **Abbeydell**. This was the property that was once Larry Bird’s home. The show was on the lawn and parking area, and a funkhana was held on the outdoor basketball court. No driving was required, but some talent in basketball was definitely an advantage.

Tuesday, a half hour trip to **Salem Speedway** set you up to run the Gymkhana. The quickest times finished in about 30 seconds. The Gymkhana was interrupted for the experience of parade laps around the oval track. Fun was had by all who participated.

In the evening, nearly all returned to Abbeydell for a BBQ. Conclave 2019 Healey in the Hills was broadcast to all that were there. Many handouts had already been distributed. Interest and enthusiasm seemed high.

Wednesday was a day off from driving with activities centered at the hotel, and self-guided tours were encouraged. Thursday concluded with a fun rally, ladies tea and the banquet.

Thanks to the Indiana Austin Healey clubs for all their hard work!

A very nice display was set up by Gary & Eileen Wetzel promoting the MAHC's 2019 Conclave in Deadwood, SD.

## 2018 Weathertech International Challenge at Road America Recap (excerpts from...)

By Scott McQueen

The weather forecast looked to be 100% chance of rain all day Friday and 40% the balance of the weekend. All the predictions were incorrect...

We were scheduled for 2 sessions on Friday, 2 on Saturday, and the feature race on Sunday morning.

This weekend the big Healey's from Minnesota were in full force:

Dan Powell #33 green 1961 Austin-Healey 3000

Jeff Johnk #28 yellow 1959 Austin-Healey 100/6

Eileen Wetzel #202 dark green 1966 Austin-Healey 3000

Scott McQueen #106 Red/white 1957 Austin-Healey 100/6

As my crew, I had Jeff and Betsy Lumbard, their son Scott, and also special assistant 16 year old Hunter Mertes as my wing man. In the paddock was an assemblage of important well wishers under the Fourintune tent. Previous #106 owner Jim Gregg along with his son Scott and girlfriend, Austin Healey racer extraordinaire Phillip Coombs and guest Mary, and hosts Tom and Kaye Kovacs. Many other visitors stopped by throughout the weekend.

Friday's first Q1 session in the morning included 59 cars registered in group 2. Weather was fine and decent times were posted: Jeff Johnk 2:49.215, Scott McQueen 2:54.074, Eileen Wetzel 3:00.426, Dan Powell 3:02.013.

Friday evening is the annual Race Car Concours Car Show. There some 60 race cars line up at the track to parade into downtown Elkhart Lake for a 2 hour display with judging. They then return to the track afterward. Thousands of people come to town, line the route, and smother the cars once we park.

All four MAHC big Healey's registered for the event, and we grouped together to line up.

Saturday "morning" Q3 session wasn't until 12:10pm

Weather was still holding off, and Eileen Wetzel was again able to post a new personal best time.

Dan Powell had a mechanical issue in his first lap when his throttle cable let loose.

Times: Johnk 2:50.015, McQueen 2:54.448, Wetzel 2:56.346, Powell 3:23.278 (first lap retirement)

Saturday night was the annual Street Car Concours in Elkhart Lake

When they presented the awards, my blue tri-carb (driven by Jeff & Betsy Lumbard) was given the "reserve" award in class C (which is essentially 2nd place). We were a bit shocked, as there were some stiff competitors in class C.

Sunday morning hopes were high to finally get a chance at a dry track surrounded by competitors.

Those hopes were dashed as drizzle reigned from early on. This gave way to a full rain at the track.

Sunday evening we retired to Schwarz's guest house, and a good meal at the supper club.

Eileen Wetzel (#202) and Dan Powell (#33) making their turns at RoadAmerica.

## Three Healeys and a Fred

By Fred Ambli

The Minnesota Austin Healey club was well represented at **Fredstock** on Sunday, July 22 at Brits Pub in downtown Minneapolis. Fred Stack celebrated the 90th birthday of everybody's favorite cockney geezer - Sir Freddie Manton, the official ambassador of Brits Pub.

The celebration included a classic car show on the Nicollet Mall in front of Brit's. Sir Freddie held court on the rooftop with some Shakespeare being recited. Our own Fred did so in the restaurant (without the Shakespeare).

Healeys on display included Fred Ambli's blue BJ8, Dave Herreid's tripartite (tri-carb), and Steve & Kim Rixen's recently painted 100-6. The afternoon was lovely !

***Ay, caramba!***

***It was time for another Lynch Mexican Fiesta !***

There were 50 to 60 people taking part in the festive Sunday afternoon party. The afternoon started off sunny, developed a few sprinkles, then got sunny again. Attendees included people from both the Healey club and the Jaguar club.

First up there was an assortment of refreshments and appetizers. After enjoying those and good conversations for some time, the dinner bell was sounded. Mike, Gloria, and their assistants had prepared a variety of Mexican salads and dishes that people scooped up avidly. Guests were seated in the house, the deck, and in the garage (where you really could eat off the floor!). Later, the always favorite sugar covered flaky dessert was offered and consumed.

People lingered and talked for quite a while. There are many long-time friends in the group, and of course we can always talk about cars ! Maybe the women were discussing their garden activities ! It was another enjoyable day at the Lynch's.

See you next time.

### For Sale:

I am parting with my 1960 Austin Healey Frogeye Sprite. The car is a 1987 Volvo Blue which looks like Black, Green or Blue depending upon the sunlight. The car is not in showroom condition and could be considered a reliable daily driver, but definitely not a project car. There are a few minor scratches and marks but it has no road accidents that I know of. I have owned it for at least 15 years. You can drive it all day and still have plenty to tinker with all winter. ### For Sale:

Tom Feintheil is selling his 1967 Sprite. He has had it for 20 years, but has no room for it now – too many toys. He was present at the last PIE meeting, and maybe will bring it next month too. (6/18)
