## Presidential Ponderings

### It's all about the Ratio!

I want to be among the first to wish everyone a Happy New Year!! The past month or so has granted me the opportunity to see how the well greased gears of the MAHC operate.

I would like to thank everyone who was in attendance at the planning meeting. I realize the change of date caused some conflicts, but I believe we were able to work through the problems to a good end.

This was the first planning meeting my husband and I have attended. I don't know how it compared with any other-but I have to say- I had a great time, I hope everyone else did too. It appears to me that we will have a lot of fun this year and have many opportunities to enjoy our cars.

Gary and I have been members for a little over a year. It has been a learning experience on many levels. I'd like to share an example. Last spring Gary and I went to Afton to watch the Hill Climb. We didn't drive our Healey because it was still in restoration. We watched for a couple of hours and ran our dogs up and down the hills. It was all very amusing.

We then attended Rendezvous where I volunteered to be one of Tom Hazen's "flag girls". This involved waving a starting flag, watching the car through the first gate, and taking note in case it hit a cone. I was now interested in every car. This may sound trivial, but I was now participating in every run. What fun! Our Healey was still not drivable, and our second newly acquired Healey wasn't yet dependable. (I know, that's another whole subject!) I was happy to discover that I could ride along as a passenger. My first speed run was as co-pilot to Tom Politiski in his Morgan. Thanks, Tom!

By the time Gymkhana came around we finally had a road ready Healey. Yee ha!! After a little coaxing, Gary agreed to let me drive "My Car" in the Gymkhana. I was thrilled when all my new friends actually cheered for me on that first completed run! One thought went through my mind. "I need to do that again!" I can honestly say I am now hooked on Healeys.

So what is my point to this long drawn out story? I am trying to convey that **the ratio between participation and fun are directly proportional**. The more a person participates, the more fun a person will have. That doesn't even include other perks, like making new friends and building stronger relationships with old friends, learning more about Healeys, sharing the love of the sport, and even having events run more smoothly. So please, ladies and gentlemen, get out there and participate in as many ways as you can, and have FUN!

We have a calendar with many events scheduled. I hope all of you can participate in as many as possible. If anyone has interest in having an event that is not scheduled, please call me to discuss further possibilities. Have a great January!

Stay warm!

Eileen Wetzel

# THE PRESIDENTS INFORMAL EVENING

BY TOM HAZEN

Club President Eileen Wetzel deftly chaired her first PIE meeting on December 2nd at the Fort Snelling Officers Club. She called the meeting to order promptly and after a brief introduction and announcements for upcoming events, she opened the floor.

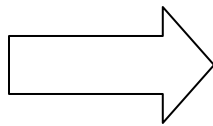

Greg Lauser encouraged us to register for Conclave 2010 in Galena, IL. Reservations at the headquarters hotel cannot be made unless you have a registration number first. We should have a number of people attending this year, because the location is so close to us. Please plan to attend.

Mike Martin brought up the fact that we should be paying attention to our finances and expenditures in the future. We are perhaps spending more than we should to maintain a sound balance in our treasury. Madame President mentioned the planning meeting on the 12<sup>th</sup> and encouraged everyone to attend. Spook Johns talked about a "hangar Healey" that has recently been rediscovered.

Potential new member Tom Witchger introduced himself and showed a photo of a BJ8 he is considering purchasing. Welcome Tom ! Tom Hazen brought up the idea of possible speed events at go-kart tracks around the area. There are some abandoned tracks and some still in use that might handle little British cars very well. More news soon!

In attendance (alphabetically): Curt Carlson, Ron Corazzo, Aaron Courteau, Tom Hazen, Jeff Johnk, Spook Johns, Jim Kriz, Greg Lauser, Dave Lee, Jeff Lombard, Mike Manser, Mike Martin, Dick Mathews, Tom and June Moerke, Dan Powell, Gary Ronning, Jack Stein, Carl and Betty Stine, Gary and Eileen Wetzel, Tom Witchger, and Tom Wolters.

Gary Wetzel

....after a recent bout with Austin Healey rear leaf springs. Eileen said that she had never seen him so dirty.....and promptly ordered him out of the kitchen !

## MAHC ANNUAL PLANNING MEETING

We met at the very trendy Amore Victoria Ristorante on West Lake street at 10:00 am on Saturday December 12<sup>th</sup>. There was a separate room where we assembled, and a good group of members turned out to plan the club events for 2010.

Those in attendance included Jim Klein, Rod Richert, Curt Carlson, Gary & Barb Ronning, Wayne Soderbeck, Larry Nimmerfroh, Jim Kriz, Tom & June Moerke, John Snyder, Byron Peterson, Mike Martin, Dick Mathews, Phil Ethier, Nancy & Greg Lauser, Kim & Steve Rixen, Tom Hazen, Scott McQueen, and Eileen & Gary Wetzel.

Eileen did a great job of having the annual Calendar pages up on the wall with a lot of the regular events already noted. Then she guided us through each month to verify the dates and add some new events! The new ones include a High Tea in March and a Progressive Dinner (3 locations) near the end of May. Many of the events are being repeated again in 2010, and we want to thank all of those people who are putting them on. Eileen had prizes for each person/couple that is/are holding an event in 2010. She also had Planners available, so the events could be written down and taken home. What a thoughtful planner she is !

Breakfasts were ordered during our discussions, and then we took a break to consume the good eats! There was discussion on both the Rendezvous in June at Thunder Bay and the Conclave in July at Galena, Illinois. It looked like we would have good representation at both major events. The session wound down, and we all agreed it was going to be a busy year. Thanks to all who attended and who offered to host events.

There was a meeting of the Board of Directors immediately after the Planning Session.

## Barking From the Back Seat

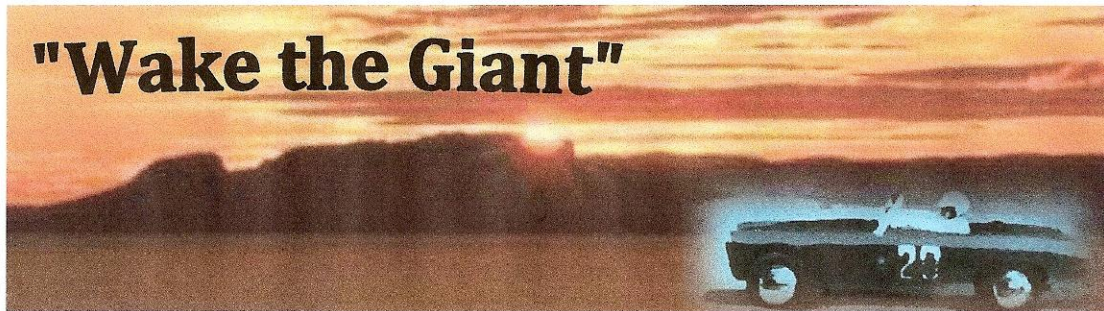

It's Sunday afternoon. The days are short and it's already dark. I lay stretched out in a deep slumber, my legs twitching wildly in my dreams. What am I dreaming about? Not what you think, not of chasing a rabbit through the yard or a squirrel up a tree. My dreams are of bigger adventures.

I hear the roar of an engine, not just any engine-the throbbing straight six Healey engine. I race to my special collar and whine with anticipation, dance impatiently until the car door is opened, and I climb to my spot in the back seat. My goggles are donned on me and I am ready!!

Oh, sweet ecstasy! As we glide down the street the wind sails past my ears. I stretch my nose up to the sky to feel my jowls vibrate and flap in the wind. My slobbery saliva drools on the Alpha Man's head. (OK, so who is the real alpha here?) As we slow for stop lights people smile and laugh. I give them my best doggie smile when they take pictures of me. I am a STAR.....

Hey, who woke me up? I need to get back to my dreams-it could be a long winter.

**20TH ANNUAL LAKE SUPERIOR VINTAGE SPORTS CAR RENDEZVOUS  
JUNE 17, 18, 19, 20, 2010  
THUNDER BAY, ONTARIO, CANADA**

Past Rendezvous Participant

This is your personal invitation to "Wake the Giant" in Thunder Bay at the 20<sup>th</sup> Annual Lake Superior Vintage Sports Car Rendezvous.

This event was first held in Thunder Bay in 1991 with the support of the Austin Healey Club of Manitoba. Local efforts on the part of a few enthusiastic sports car owners yielded a great weekend (even though it rained) with 37 cars registered. Our American Austin Healey guests had such a great time they decided to host the event in 1992 and it has since become an annual multi-marque, multi-club event.

The Rendezvous has continued all these many years due to the combined efforts of the Thunder Bay Vintage Sports Car Club, Minnesota Austin Healey Club, Jaguar Club of Minnesota, Minnesota MG Group, Wisconsin Austin Healey Club, Manitoba Austin Healey Club, Triumph Driver's Club of Manitoba, Mid-Canada Minis and for 2011 we welcome the British Iron Society of Fargo, North Dakota. Soon we will have as many clubs involved as we did participants at the first event.

So what is the secret to our longevity? **YOU!**

We have a common bond, a deep rooted interest in Vintage Sports Cars and a motivation to share a good time with others that possess the same interest. On that note some of our partners might agree that at times we do seem possessed.

In 2010 spirited by the Sleeping Giant we will do our best to "Wake the Giant". A funkhana and rally are planned as well as tours of local points of interest including a trip to Russ Wanzuk's museum of old racing cars and motoring memorabilia. A Friday night BBQ with surprise guests will provide a new twist and perhaps you may find time to squeeze in a round of golf. The "Rockin' Car Show" is sure to rouse the giant in all of us.

**HOTEL:** Best Western Nor'Wester Resort Hotel @ 1-888-473-2378. A block of rooms is being held until May 1<sup>st</sup>.
