Presidential Ponderings

By EILEEN WETZEL

Ladies and Gentleman! Start your engines!!!

Wow, we've had the most amazing Spring in recent history. In the Spring I usually get horse fever, and have been chomping at the bit to ride. Now I experience Healey fever!

I can't wait to drive or ride with the wind blowing by. What a life - fast horses and beautiful cars, or is it fast cars and beautiful horses. Either way, life is good.

A few of you lucky people have already had a chance to have your cars out. For those of us that don't have a road ready car, it has really wet our whistles. The season goes so fast I encourage everyone to "carpe diem"!

We have a lot of opportunities on our calendars to get together and share our love of Healeymania. I encourage you all to read the newsletter, check the events calendar in the newsletter, check the website calendar, and don't forget to look at the Intermarque newsletter and schedule. Besides just attending an event, I would encourage everyone to also volunteer to help in its execution. Working together promotes camaraderie and fun. Let's just get the lead out and do it!

I am looking forward to hearing the fine mellow music...our Healeys..!

See you soon!

Eileen

THE PRESIDENTS INFORMAL EVENING

BY EILEEN WETZEL

Thanks to everyone that made it to the PIE meeting in April. Basically, the meeting consisted of reviewing the upcoming events as listed in the events schedule of the newsletter.

In regard to the Intermarque Spring Kick Off, the decision was made that if you are interested, the participating MAHC members would meet between 8:00-8:30am at the parking lot nearest the carousel. We will then proceed to arrive and enter together and hopefully be parked together. Don't forget your picnic necessities including food, chairs, and yard games!!

The Triumph Club has invited us to join them on Sat. June 5th as they host a British Sports Car Display at the Woodland Hills Winery in Delano, MN. MN TR's will have a drive about 10:30am, meeting in the western 494 area and driving to Delano. Please save the date. There will be more details to follow.

Another event worthy of mention is "Second Sunday Burgers and Cars" or SSBC. It occurs every second Sunday of the month from 11AM until 3PM at the Fuddrucker's in St. Louis Park, MN. It is a Shriner's fundraiser. 15% of the sales during the event go to the fundraiser. If you are looking for a destination drive and a chance to talk and admire cars- it may be worth a trip sometime this season. If you are interested I would be happy to forward a coupon as well.

We were delighted to be included in helping Jan Huston celebrate her birthday and shared in the eating of cake provided by Wayne. Jan also endured our singing "Happy Birthday" to her-twice!

Herb Miller did some Spring cleaning and brought a box of goodies (car parts and manuals, etc.) to share. They were snapped up and much appreciated. Thanks Herb!

We were happy to meet Jim Manion's wife, Patty. I hope we can get to know her well.

Welcome, Patty! Others attending included Tom & June Moerke, Dick Mathews, Carl & Betty Stine, Niki Rossberg, Gary & Barb Ronning, Scott McQueen, Jeff Lumbard, Jan Huston, Wayne Soderbeck, Dave & Cheryl Rademacher, Jim Kriz, Kim Rixen, Mike Manser, Curt Carlson, Alex Donaldson, Andy Lindberg, Jack Stein, Herb Miller, and Gary & Eileen Wetzel.

See you at PIE in May.

Happy Healing!

TECH SESSION – Paint Repair & Maintenance

Editor

On Saturday morning about 10:00, a good bunch of Healeyites gathered at Gary & Eileen Wetzel's home for an interesting Tech Session. Eduardo Briceno is an Automotive Paint Restorer & Consultant. He and his wife Shelley were there to introduce us to his techniques of enhancing and preserving the finishes on our collector cars.

Eduardo selected Carol Johnk's Red TR-6 to demonstrate (Carol let Jeff drive it that day!). First he cleaned an area with water to remove any dust. Then he proceeded to apply several products in a straight line motion to bring out the paint color. Circular motion when polishing is not recommended. The uses of fine sandpaper and power buffers were also discussed. He maintained that they could be used in some cases, but should only be used by experienced people. The final polishing was done with rolled cotton. The result was very beautiful!

After the demonstration, Eileen had us proceed through her lovely kitchen where the food was displayed. A great lunch of Sloppy Joes, salads, and brownies hit the spot. We ate outside on the deck, enjoying the warm Spring day. A big thanks to Gary & Eileen for hosting !!

Attendees included Fred Ambli, Rod Richert, Chuck Norton, Jim Kriz, Dick Mathews, Steve Rixen, Roger Strauman, Dave Rademacher, David Meek, Orval Faste, Spence Angel, Dale Martin, Jeff Johnk, Dave Lee, and Gary Ronning.

Hello Healeyistas,

Linda and I were in St. Cloud today and stopped to see Larry Nimmerfroh at the Vet's Hospital (building 50, first floor). Although he has some limitations, he appears much better than advertised. He kept Linda and I enthralled with stories for over an hour. (See picture.) If anyone is in the St. Cloud area, stop by and see him. He'll appreciate it, and you'll enjoy it.

Andy

(Soon-to-be Sprite owner. The Citroen left for Seattle today.)

Spring Highway Clean Up

By Greg Lauser

Rain delayed, but we got the 'game' in.

Like this year's Minnesota Twins, the seven hearty MAHC members who took the "field" on Saturday, April 24 sat out a brief rain delay, but completed the task at hand. By 9:30 a.m. assembling team members sought the shelter of a "dugout" – The Whistle Stop Café in Frontenac Station – to enjoy breakfast and wait for the weather to clear.

By 10:30 the team began play on a soggy field, but notched another victory for our club in drizzle and rain. Special thanks to Dave Lee, Rod Richert, Steve Rixen, Wayne Soderbeck, Scott McQueen and Nancy and Greg Lauser for their dedication to the commitment made by all club members to continue playing the Adopt-A-Highway game.

Like any good army of volunteers, they performed well on a full stomach and achieved a satisfying "win". Those team members decided that any future rain delays should be waited out at The Whistle Stop Café. By 12:30 p.m. everyone was on their way home, having decided that breakfast that morning trumped a stop for burgers and beverages.

For future reference, if there is precipitation but no one at Veterans' Highway Park or Villa Maria Park, check the café for other dedicated souls. Our record is intact – there have been no rainouts – but the game is always more fun and goes quicker when more teammates take the field.

Website Pictures....

Have you been to the www.mnhealey.com website lately? If not, you should. There is a lot of good information available, as well as pictures of the MAHC members with their cars....or there should be. Please check out your name to see if a current picture is exhibited. If there is none, or if changes have occurred, please submit a current picture by email or postal mail to Curt Carlson or John Snyder (addresses are in your Members Manual). Thank you !

Speaking of Photos....

Geoff Rossi is still looking for historic pictures from our club to include on the CD being sent to the A-H Conclave in Galena:

We prefer that you send them to us as scannable photos or digitals. Digitals can be on a flash drive or on a CD. Put your name on the flash drive, CD or back of the photo and we will absolutely positively return them to you.

Any questions: Geoff at 612 822 7069 evenings, or by email casadirossi@hotmail.com

Mail your stuff to: Geoff Rossi; 3641 South Dupont Avenue; Minneapolis, MN; 55409. Please don't email scads of photos!! One or two or three is OK. A site has been set up for photo exchange. You can send them to:

www.photobucket.com User name – MNAHC Password – donaldhealey.

More Fun Pictures.....

Dave Rademacher found a great website for Healey and other British historic pics. The site is as follows - <http://www.britishpathe.com/> . Just go to the box that says search the archive and type in Austin Healey. It will give you several options to look at.

He also looked up British car racing and found many great clips. This is better than British Auto Racing. It has the Sunbeam 1,000 hp car breaking 200mph at Daytona and many other clips.

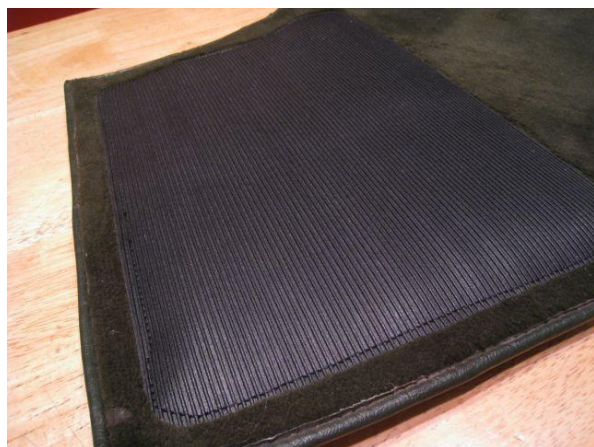

You can also look up lots of other information about British racing etc. Hope this provides some interesting watching for our members to enjoy!

A Fix for Wearing Carpet

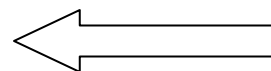

By Jim Wojcik

I had a heel mark wearing deeply into my Healey carpet. I suppose I should have bought a vinyl mat to use over the top of the carpet, but the carpet feels nice without it so I never did. So I had to decide whether to replace the carpet piece, or cover it somehow, or live with growing ugliness.

An answer came from scrutinizing Paul Nesse's current car, his Aston Green 427 Cobra. Paul had an upholsterer stitch a bit of vinyl stair covering such as sold in any hardware store, over the heel area of his carpet. Shamelessly I decided to copy his method, and asked him for the address of the upholsterer. It was Beach Upholstery, 303 5th Street North, Hudson, WI 54106-1008, phone 715 220 3694. A quick trip to Wisconsin, and a few days later I had my fix, as you can see in the photos. Nice, friendly craftsmen who are happy to work with car guys and gals on custom projects or whatever you have. So, when you see us on the road, you can take a look. Barbara observed that it won't make the accelerator stick, either. They haven't had a single recall yet. Neither did DMH!

....goes in this car....

Come along on our Spring Awakening Tour !

Date: Sat. May 8th

The Tour will start at a central location familiar to most – the **Square Peg Diner** at 2021 E. Hennepin in Minneapolis. Please gas up prior to the tour. We will hand out written directions prior to the **10:00 starting time**.

After leaving the Peg, we will get onto the Mississippi River Blvd.

This is a most scenic drive with stately homes and wonderful landscaped lawns on our left. On our right will be the mighty Mississippi River far below us. Soon we will be on Shepard Road, which runs along and close to the river. It's kind of like seeing the back side of St. Paul ! We continue along the river on Hwy. 61 and then head for Wisconsin on Hwy 10.

On the south side of Prescott, we'll take a 20 minute stop at a very nice park with a great view of the confluence of the Mississippi and St. Croix Rivers. They have a nice little gift shop there and modern restrooms. After leaving the park, we will travel on some bucolic country roads that western Wisconsin is famous for. We will end with lunch at Hudson's newest restaurant called the Shanghai Bistro. The route is about 70 miles long and should take about two and a half hours. Any questions, please call Tom Moerke at 651-402-2153. See you there !

**20TH ANNUAL LAKE SUPERIOR VINTAGE SPORTS CAR RENDEZVOUS
JUNE 17, 18, 19, 20, 2010
THUNDER BAY, ONTARIO, CANADA**

Past Rendezvous Participant

This is your personal invitation to "Wake the Giant" in Thunder Bay at the 20th Annual Lake Superior Vintage Sports Car Rendezvous.

This event was first held in Thunder Bay in 1991 with the support of the Austin Healey Club of Manitoba. Local efforts on the part of a few enthusiastic sports car owners yielded a great weekend (even though it rained) with 37 cars registered. Our American Austin Healey guests had such a great time they decided to host the event in 1992 and it has since become an annual multi-marque, multi-club event.

The Rendezvous has continued all these many years due to the combined efforts of the Thunder Bay Vintage Sports Car Club, Minnesota Austin Healey Club, Jaguar Club of Minnesota, Minnesota MG Group, Wisconsin Austin Healey Club, Manitoba Austin Healey Club, Triumph Driver's Club of Manitoba, Mid-Canada Minis and for 2011 we welcome the British Iron Society of Fargo, North Dakota. Soon we will have as many clubs involved as we did participants at the first event.

So what is the secret to our longevity? **YOU!**

We have a common bond, a deep rooted interest in Vintage Sports Cars and a motivation to share a good time with others that possess the same interest. On that note some of our partners might agree that at times we do seem possessed.

In 2010 spirited by the Sleeping Giant we will do our best to "Wake the Giant". A funkhana and rally are planned as well as tours of local points of interest including a trip to Russ Wanzuk's museum of old racing cars and motoring memorabilia. A Friday night BBQ with surprise guests will provide a new twist and perhaps you may find time to squeeze in a round of golf. The "Rockin' Car Show" is sure to rouse the giant in all of us.

HOTEL: Best Western Nor'Wester Resort Hotel @ 1-888-473-2378. A block of rooms is being held until May 1st.
