# **The President's Flights of Fancy**

**by Dave Herreid**

I am constantly amazed by MAHC. Let me explain; when I first was welcomed into the group I thought, "Hey, a group that would let me play too." I say "play" because everyone seemed to be having fun. It felt like a musical comedy as in "Mary Poppins." It all seemed so well orchestrated that all one had to do was a little jig and break into song and soon all your cares were swept away. Voilà! You're in your happy place...with just a spoonful of sugar!

Little did I realize the work behind this bliss. I don't want to imply the grimy type of work like maintaining the blast furnaces of hell. No, more like Snow White's dwarfs marching off with a hop in their step, singing "High ho, high ho, it's off to work we go." (Although it's been years since I've seen that movie, and there was a guy named "Grumpy" after all.)

Here is what I do know: it takes time to make an MAHC event happen, and when the event is complicated, with moving pieces and multiple days, it takes more than time. It takes experience, fortitude, and a team of volunteers. I know this because on a Wednesday not long ago a group of us met to discuss Rendezvous 2017. If you were there you would have been in the presence of many of the movers and shakers of our Club. There was a discussion about the event location and the reasons why, what to call the event,

organizing a car show and where, meals, type of swag, tech sessions, driving events, more meals, a silent auction, security, where to, how to, Boy Scouts (or was that Girl Scouts?), and issues that would have overwhelmed anyone at their first planning meeting of such an event.

I figure (and maybe you should too) that getting involved, seeing how it's done, and just giving moral support to this or any event, can brighten the event for all involved. In addition, we newbies can learn and develop that thing called "experience," so that the next event we volunteer for doesn't play like a mystery with fog and blind alleys; rather it unfolds like a musical comedy with good cheer and a happy ending.

So don't be shy, there are lots of ways to volunteer. A good way to start is come to the monthly P.I.E. Meeting and express an interest in joining in. To get motivated think about summer, your car, and any of the following; Amery, Waumandee, the Annual Banquet & Business Meeting, Rendezvous 2017, and/or events that aren't even a glimmer in anyone's eye...yet.

Be there... and involved, if you can.

Wing It!

# The Presidents Informal Evening May 11, 2016

by Dave Hatzung

Our President **Dave Herreid** called the meeting to order un-promptly at 7:26. He was sad to report that we added no new members over the last month, but happy that we had a prospect – a proud Bugeye owner, **Tony Fishman**.

We heard the Adopt-a-Highway went well with 9 people helping. All had a great time and ended up at the Smokey Oak Restaurant.

As I finish writing this, 2 events are already over. The Vintage races at Road America, and the Osseo Car Show. I went to Osseo last year with my car, but this year attended the Vintage Races. Truly a "Bucket List" item for me!!!

**Eileen** reminded everyone about the **Wetzel** Picnic May 21<sup>st</sup> and asked that people RSVP. **Suzanne and Greg Willodson** will be leading a car rally just prior to that.

The Woodland Hills Winery car meet we had last year was canceled as the winery changed hands and there were scheduling conflicts.

Brit Fest is in Hudson again in front of Dick's Bar. Still need volunteers for the Amery Speed Run on 7/23.

We currently have 94 A/H Club members.

\$1,000 was approved to send to Sugar Lake Lodge to reserve space for the 2017 Rendezvous.

No new news from **Eileen Wetzel**, our A/H National Delegate, nor from our Regalia Chair, **Gary Ronning**.

El Presidente Dave asked for more ideas for

"POP-UP" events, so please share any thoughts you may have about one.

Blackhawk Track Day is 7/1.

**Tom Hazen** announced his wedding on July 3! Congratulations Tom!

And President **Dave Herreid** closed the meeting in record time at 7:48.

## Track Day at Blackhawk Farms on July 1 – Registration Is Open!

The Midwest Austin-Healey and Chicago Alfa Romeo Owners Clubs invite you to participate in the 2015 Midwest MAHCA/CAROC Driver's Education & Lapping Day at Blackhawk Farms on Friday, July 1st.

Come enjoy the rural setting and have lots of motor sports fun on an extended weekend. Registration and tech inspection will begin at 7AM. We will be sending out the first practice group at 9:00AM. The format will be open lapping by class in the morning and afternoon. Touring will be at noon and will run for approximately 45 minutes. If desired, your lapping sessions will be timed using AMB transponders (\$35 to rent or no extra charge if bringing your own). This allows us to provide many hours of track time for each participant. For safety reasons, no passing in corners. On-track activities will wrap up at 4:30.

Run groups are set up for novice drivers to competition drivers, plus touring. All drivers must use seat belts, long-sleeved shirt and long pants made of cotton or fire-resistant fabric, and helmets. Helmets can be rented at the track. Includes a mandatory classroom driver instruction session.

The cost is \$260 for a full day, \$140 for a half day, \$40 for touring and \$35 for an optional transponder, timing and scoring. There are several ways to register:

## Nine Start Club's 12<sup>th</sup> Year of Adopt-a-Highway Pickups

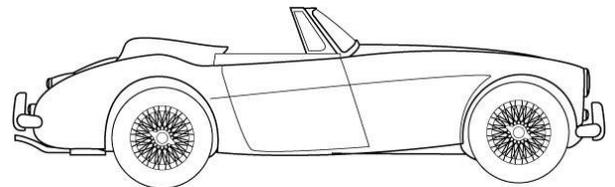

by Greg Lauser

Nine Minnesota Austin-Healey Club members participating in the spring 2016 pickup May 7 began the club's 12<sup>th</sup> year of cleanup commitments to the Minnesota Department of Transportation. Weather was cool, dry and windy, with relatively clean ditches along U.S. 61 between Frontenac Station and Veterans Highway Roadside Park just north of Lake City, Minnesota. After enjoying cookies, donuts, coffee, water and "rest" at the park, everyone drove one mile north to the Villa Maria roadside to suit up in reflective safety vests and grab their trash bags. They started collecting trash about 9:30 a.m. and finished their rounds by 11:20 a.m. The crew caravanned to The Smokin' Oak Restaurant in Red Wing via Flower Valley Road to avoid road construction in downtown Red Wing. A good time and good food was had by all.

Roadside rehabilitators were:

Dave Herreid  
Jim Spate  
Tom Wolters  
Dave and Cheryl Rademacher  
Geoff and Diane Rossi  
Greg and Nancy Lauser

Thanks, gang!
