## *Presidential Ponderings*

**By EILEEN WETZEL**

Where has the summer gone? As I am writing this, it is clean grease day, also known as the first day of the Minnesota State Fair. The best day of all to sample all the delicacies of the fair, but also a sure sign to the end of summer. Days are getting shorter and nights are getting cooler. But alas, all is not lost! There is still a great deal of good driving weather left.

-Two is better than one. My day always starts out on a good note when I am able to leave the house at the same time as Gary. For the first two miles we are able to drive our Healeys side by side down Carlson Parkway. We harmonize as we go, pseudo racing, and making sweet music together. Although we are not in the same vehicle, we are able to share a closeness as we enjoy our drive together. Healey magic. This has been our first season that we have had both cars drivable at the same time. What fun! I would recommend it to anyone.

-Keeping up interest in the Healey marque. I have found a new way to promote the marque. There are several young people in my neighborhood that are learning to drive. After they have had their license for several months, I offer to teach them how to drive a stick shift. What better car to learn on! They will always remember: the Austin Healey was the car I drove when learning to drive a stick shift. One young lady wants to come over this winter when we work on the transmission. I'll even let her wear my pink overalls!

We still have a lot of great upcoming events. I hope to see you all there. Get out and drive!!!!

# THE PRESIDENTS INFORMAL EVENING

BY EILEEN WETZEL

August PIE attendees were: Jim Kriz, Roger Strauman, Scott Wood, Scott McQueen, Herb Miller, Jim Manion, Mike Manser, Jeff Lumbard, Dick Mathews, Greg Lauser, Tom and June Moerke, Spook and Britt Johns, Betty and Carl Stine, Jack Stein, Gary and Barb Ronning, Gary and Eileen Wetzel.

August PIE ran its normal routine of a financial report and a rundown of upcoming events.

Gratitude was extended to Carl and Betty Stine and Greg and Nancy Lauser for hosting a beautiful drive and a wonderful, bountiful picnic barbecue. We also wished Carl well on his upcoming trip by Jet-ski down the Mississippi and up the Missouri rivers.

Help from all members was requested to assist Tom Hazen as he orchestrated the upcoming Afton Hill Climb. Corner workers are always needed!

The highlight of the evening was meeting new members Scott Wood and Roanne Sroka.

Scott was looking for recommendations on where to have bodywork done.

Roanne is a long time owner of an Austin Healey which she has driven across the country several times. The meeting ended up in the parking lot as we oohed and aahed over the Healeys present. Oh, for the love of summer!!!

## Some Guys get their Winters and Summers mixed up !

Wayne Soderbeck was in a big watercross championship in Grantsburg, WI recently. He still has his old Snowmobile Watercross Racer from back 12 - 18 years ago. Some of his old friends (not as old as he) talked him in to coming back and racing in the VINTAGE class. The pics above are of him on ol' # 85. He had to make 3 laps on the water (about 250 feet between markers) . Well he ended up in first place! Got a 4 foot trophy for winning! It evidently was lots of fun to get back out there on the water and skipping again. Wayne said "There are a few weird things I did that the normal person would not do ..... or do sober!"

**Congratulations, Wayne !!**

# Wisconsin Reverie

A Roving Reporter (named Rossi)

On August 1, sixteen vehicles led by Greg Lauser embarked on a Sunday's journey from Point Douglas Park in Prescott for a forty-five minute drive to Beldenville, WI. Destination: the Stine's Maplewood Farm. By 2PM forty-two people had gathered to join in for the sixth year running of the Pierce County Parade and Picnic.

A great circle of lawn chairs formed on the grass beneath the canopy of shade trees. Lemonade and iced tea were served as the socializing commenced. In due time, the buffet table was set with various salads and side dishes followed by the call to "line up." A massive tray of Texas style ribs was set out accompanied by hot grilled corn-on-the-cob. Cheeseburgers were also grilled for those so minded. There were many trips for "seconds" that were followed by two wonderful desserts – a blackberry cobbler and an enormous trifle.

Gradually, cars began to slip out up the long drive of Maplewood Farm, and by 6:30 nearly everyone had departed from this most delightful afternoon. All agreed that it had been made so by the generous efforts of Betty and Carl Stine, Nancy and Greg Lauser, and Betty's son Tom and friend Michelle.

A total of 42 happy people attended, and they were as follows:

Fred Ambli, George Archer, Curt Carlson, Bob & Barb Cox, Spook & Britt Johns, Dave Knowles, Andy & Linda Lindberg, Mike & Gloria Lynch, Dale & Barb Martin, Dick Mathews, Tom & June Moerke, Chuck & Jean Norton, Dave & Cheryl Rademacher, Steve & Kim Rixen, Gary & Barb Ronning, Geoff & Diane Rossi, Wayne Soderbeck, Steve & Kay Shogren, Jack Stein & Caren LaBelle, Allen & Judy Wehr, Gary & Eileen Wetzell, Greg & Nancy Lauser, Carl & Betty Stine, Betty's son Tommy with friend Michelle.

# Healey Hillclimb IX

Dear Hillclimb Drivers, Corner Workers, Helpers, and Fans:

Thanks for a fabulous Healey Hillclimb IX at Afton Alps!

I need to begin by re-thanking all the great people who made yesterday such a success:

Corner workers: Jim Klein, Byron Peterson, Tom Moerke, Wayne Soderbeck, Daniel Buchen, Mike Baloga who handled the "lonely lunch" job with grace, and Jeff Johnk who was especially amazing because he recruited four additional workers: Brian Steinhauer, Amy Steinhauer, Justin Giles, and Bob Steinhauer. Thank you, Jeff!

Phil Vanner and his Square Peg Diner, (2021 East Hennepin, 612-378-0855) for providing the delicious frosted cinnamon rolls.

Eric Sanford, who supervised corner workers and helped out all over when needed.

Jeremy Fohrenkamm, who brought the HUGE Toro power blower with hurricane-force winds that cleared sand, debris, and several small children from the course.

Steve Rixen, who donated fire extinguishers.

Scott McQueen, who stores the cones all winter.

Various drivers such as Mitch Steinhoff, Andy Lindberg, Steve Rixen, and others who worked the course and helped out when they were not driving.

Hot flag girls Charissa Hauff and Eileen Wetzell. Eileen also convinced her husband Gary Wetzell to work a corner.

The weather was hot and humid all day yesterday. The heat caused some problems with the radios, so I want to offer my apologies right away because some starts were missed, so some runs didn't get recorded. Everyone whose time didn't get recorded got to run again with the next run group. 58 drivers made a total of 279 starts. Drivers who stayed all day were able to take six runs each. My special thanks to Jim Klein and Byron Peterson for working at the finish line all day, managing two timing sheets, simultaneously timing two cars on the course with just stopwatches, pens, and paper. You guys are "top o' the hill" tops!

All times listed in the "Run" columns are raw, actual times, not counting the cone penalties. The list is sorted by FTD (fastest time of day), with the quickest drivers at the top.

Numbers in the "C" columns represent cones hit. Each cone hit adds two seconds to your time, but you will only see that reflected in your FTD time, if applicable, as all other times are listed as actual. So, your FTD might actually be your second-fastest "official" time, if you hit a cone on your fastest run.

The 1st run column just says "y" because as I mentioned at the drivers meeting, we did not record times on the first run.

Congratulations to Lee Frisvold who takes home "Fastest Time of Day" honors. Longtime Healey Hillclimb fans might remember that Lee also had the fastest time at the second Healey Hillclimb back in 2003. After a crazy DNF on his first run yesterday, he got the course figured out and posted a blistering 54.16 on his last run of the day. Nice driving, Lee!

My thanks again to everyone who showed up and smiled back at me all day. I have the time of my life running these events, and I love you all dearly. Especially one particular hot flag girl!

Yours in Speed,

- Tom Hazen -
