President Dave Hatzung's
Very Presidential Column

I was in Seattle for a wedding a week ago when I started writing this ditty, and thought I'd check Craigslist regarding Healeys for sale. There were a few, and prices seemed similar to those in the Twin Cities. The price of houses is wacko out there, so I was surprised at the Healey were not higher.

We did a lot of sightseeing, and a ton of walking. Stepped off a curb to cross the street and almost got hit by a Prius. You all remember my column about that vehicle and how much fun it is belonging to the **MPC (Minnesota Prius Club)**. So I stepped off a curb, and never heard the car approaching. As they are not a Healey, but electric, there is no exhaust noise. The thing missed me by inches. Should not have stepped into the street until the light changed, but... Our tour guides were our nephew **Nick Hatzung**, and his girlfriend **Melanie Ovel**, who immediately shared a new Prius tidbit. Gang members drive Priuses – (Yup - for their drive-by shootings) because you can't hear them. I'm thinking the federal government needs to record our Healey exhaust sound and add that sound to the Prius exhaust. It's really a national security/safety issue. I also think the **MPC** has me on their hit-list.

This last weekend was the **Willodson** Amery Airport AutoCross. As you noticed, I renamed it. **Suzanne** and **Greg Willodson** did an awesome job setting up and running what I would call a perfectly organized event. Our higher power must have thought so, as we were blessed with a beautiful day. There were a lot of people that helped, and I'll name some that I remember and know. **Heidi Halverson** and her granddaughter **Alexya**, photographer **Phil Ethier**, chef **Dave Herreid**, gate-keeper **Carl Stine**, **Phil** (our Midget race car advisor) **Dawson** (both helping and driving that day), and a host of others that race their cars and also volunteer (like my brother **John Hatzung**). Speaking of **John**, we had a rivalry going with each other. It was the first time we had the Midget (aka Ratget) on the track, and it ran through about 7-8 runs. Our best times were only seconds apart. I won't tell you who was the fastest, but his name isn't **John**.

On the last 2 runs, it sounded like there was a little guy in the engine pounding a ball peen hammer trying to get out. Based on my mechanical ability, I think it was a guy who hopped on the trailer in Baldwin. **Phil Dawson** said the head had to be pulled and blah blah blah. Being a salesman, that sounded like pretty negative stuff to me. I think maybe dumping some T & T in the engine will quiet the little guy down. Whatever. The next day when we started the Ratget, the noise was gone. Again, I think the little guy jumped out as we headed home passing through Baldwin. I'm planning on the drive to Waumandee to not slow down or stop anywhere. That way no little guys can jump into the engine again, and we'll perform without any problems in that race.

Another great month to be a member of the greatest car club in our universe, the **MAHC**.

The Presidents Informal Evening

By Kim Rixen

Several of our club members had just returned from Conclave in French Lick, Indiana. Gary and Eileen Wetzel spent much of their time there talking up next year's event in the Black Hills sponsored by the MAHC. As of the beginning of August, 35 people from around the country had already registered. The Wetzels and Mike and Gloria Lynch, who also attended, took notes about what worked well in Indiana and what did not.

They also put out a call for volunteers from our club and would appreciate having some arrive early to help guests get to the registration areas. They are also looking for "hosts" at the overflow hotels in Deadwood, who would welcome guests and answer their questions. A group of our members is going out to Deadwood the week after Labor Day to continue scouting and planning.

The racers at Road America spent as much time being chased by rain as they did chasing cars on the track. Eileen Wetzel turned in a personal best time over the weekend. Dan Powell broke his throttle cable. Scott McQueen met the previous owners of his car. His recently restored tri-carb AH took reserve status at the Concours Car Show. It placed second to an Aston Martin DB4 (one like that recently sold for \$15 million at an auction). The fall festival in September will celebrate the 60th anniversary of the Sprite. MAHC members are encouraged to attend !

At least 16 people from MAHC attended the Mexican Fiesta at Lynches the last weekend in July. There were Jaguar Club members also, that brought the total to about 50. As usual, there was great food and margaritas.

Upcoming events:

Dave Herreid and Daphne Walmer's Pizza Fest near Afton, MN, Brit Fest in Hudson, WI, and the Amery Airport Autocross - which is sold out.

The Waumandee Hill Climb in September will take place on Blank Hill Road. The longer course will require more volunteer corner workers.

Jim Kriz reported that membership stands at 84.

In attendance:

Tom and June Moerke, Gary and Barb Ronning, Dick Matthews, Diane and Geoff Rossi, Dick Leighninger, Greg and Suzanne Willodson, Rich Stadther, Dan Powell, Scott McQueen, Jeff Lumbard, Jeff Johnk, Tom Politiski, Greg Lauser, Dave Hatzung, John Hatzung, Betty and Carl Stine, Phil Dawson, Jan Huston, Wayne Soderbeck, Dave Herreid, Jim Kriz, Lynn Luepke, and Kim Rixen.

Daphne & Dave's Pizza Party !

On Saturday August 4th, this annual pizza manufacturing party was scheduled to occur. Well, a bunch of rain and a power outage put a damper on that plan. Therefore, the gathering was re-scheduled for Sunday, and it happened !

Sunday was indeed a nice day, so we wound our way through the backwoods along the St. Croix River. Lo and behold, we found Daphne and Dave's hideaway. Many people came and socialized over refreshments and appetizers. Then, the pizza cooking began. The doughs were ready for the many fixings that had been prepared beforehand. People were popping pizzas in and out of the beautiful brick oven. Along with the other dishes people had brought, no one was left hungry.

The location is very pleasant with the river close by and watercraft passing through. Daphne's hummingbird feeder was overrun with activity while the woods was active with other flying objects ! The guests lingered, but finally we had to make our way home. Thanks to Dave & Daphne for a beautiful afternoon !

Attendees: Gloria & Mike Lynch (plus Mike's mechanic Jeff), Tom & June Moerke, Jim & Patty Manion, Jeff & Betsy Lumbard, Jean & Chuck Norton, Rod Richert, Phil See, Liz & Rich Stadther, Kim & Steve Rixen, Steve & Sue Greenway, Gary & Barb Ronning, Phil & Stefanie Dawson, Greg & Nancy Lauser, Eileen & Gary Wetzel, and of course Daphne & Dave.

Editor

Left: Greg Lauser, Dave Herreid, Jim & Patty Manion conversing on the deck.

Below: Jean Norton, Sue Greenway, and Rod Richert checking the yard...and the snacks!

Left: Kim Rixen, Liz Stadther, and Daphne Walmer preparing the Pizza fixings !

BritFest 2018

By Tom & June Moerke

Another successful BritFest was held on Saturday August 11, 2018. Over 88 registered British cars were displayed between Main Street downtown Hudson and the park overlooking the scenic St. Croix River, which included the arch to the old tall bridge.

Most folks arrived between 8 and 9 a.m., but there were people coming and going all through the show – which ran from 9 am until 2 pm. The sun was out all day – no rain in sight – and it proved to be very nice although a bit hot at 91 degrees.

The event was put on by the Minnesota MG Group, as it has been in the past. There were good representations of cars and members from the MG Club, as well as the Jaguar, Triumph, and Austin Healey Clubs. There were Silent Auction Awards presented at the end of the event.

Healey members in attendance included Eileen & Gary Wetzel, Kim & Steve Rixen, Barb Martin, Tom & June Moerke, Phil See, Jana & Gene Berghoff, Scott McQueen, Rich Stadther, Dave & Mary Hatzung, Bruce Hetrick, Andy Lindberg, and Steve Shogren.

Diane Rindt and Steve Rixen getting awards from Andy Anderson.

June Moerke "jammin" !

Amery Airport Autocross XXIII

By Greg Willodson

Sandwiched between a rainy Friday and an unstable Sunday, we had perfect weather for the 23rd Amery Airport Autocross on August 25!

Robin Newborg took the top spot in the autocross in his 2016 Golf R, with a time of 45.1 seconds. Justin Nall was the fastest on the speed run, hitting 141 mph in his 1966 Chevelle.

The 4H club had other obligations and couldn't provide catering as has we expected. Never afraid to put on a BBQ for 75 people at the drop of the hat, we set up grills and cooked up hamburgers and hotdogs for everyone. We tried to lose money on lunch, but failed miserably. Drivers donated almost \$300 to our cause!

It was a great day with nearly 300 runs completed by fantastic drivers. Another great day with everyone looking forward to next year!

Club members and others who helped us make this day so successful:

Suzanne Willodson – started cars, recorded times, made announcements (pretty much runs the show)

Dave Herreid – procured flat metal surface for leader board (stole the door off our shed) & grill master 2

Phil Dawson – grill master 1

Carl Stine – entry gate & all-around does it all

Dave Hatzung – corners

John Hatzung – corners & entry gate

Phil Ethier – head photographer

Ryan Buck – course set up Friday night

Sarah Buck – lunch set up & grill sergeant

Heidi Halverson & granddaughter Lex – leader board magnets

Nick Brett – end zone (AM), corners (PM)

David Burman – radar (AM)

Tyler Hoffman – radar (AM)

Jay Silverberg – radar (PM)

Terry Tobin – radar (PM)

Don Gettinger – end zone (PM)

Breaking News!!!

New Conclave Dates are Sept. 6-11; Hotels Offering Same Rates B4 Conclave

To secure room nights before Conclave 2019 it now will begin Friday, Sept. 6 and end Wednesday morning, Sept. 11.

The Minnesota Austin-Healey Club is excited and looking forward to hosting Conclave!

Conclave 2019 will begin one day sooner for two reasons:

- Misunderstanding between organizers and hotels;
- Early enthusiasm for Conclave 2019 has been tremendous so **all available rooms set aside after Conclave already have been booked!**

To meet anticipated demand for additional hotel room dates, the Minnesota Club has negotiated Conclave 2019 discounted rates that begin the night of September 4 and are effective through the night of September 10. As a result of those negotiations:

- Anyone who already has booked reservations after those dates and wants to keep them will have those reservations honored by the hotels; and you may add earlier nights – September 4, 5 or 6 – at the same daily rate.
- OR, anyone already holding hotel reservations for September 7-11 may change them to begin one day sooner and add September 4 and 5 to their reservation at the same room rate.
- **Minnesota Austin-Healey Club members helping host Conclave 2019 are urged to arrive/check-in to their hotel on September 5 so they can assist with final details that day.**
- **YOU MUST REGISTER FIRST for Conclave 2019 to get the password and your individual five-digit code necessary to reserve rooms at the hotels.**

Because of reservation system limitations, the Holiday Inn Express cannot take reservations until October 2, 2018. The other two hotels are now taking reservations.

We apologize for any inconvenience this may cause

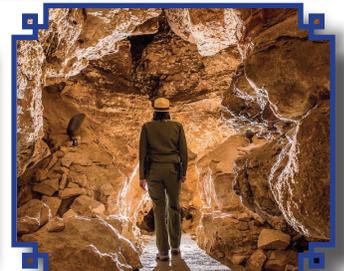

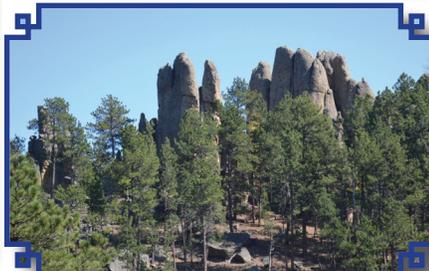

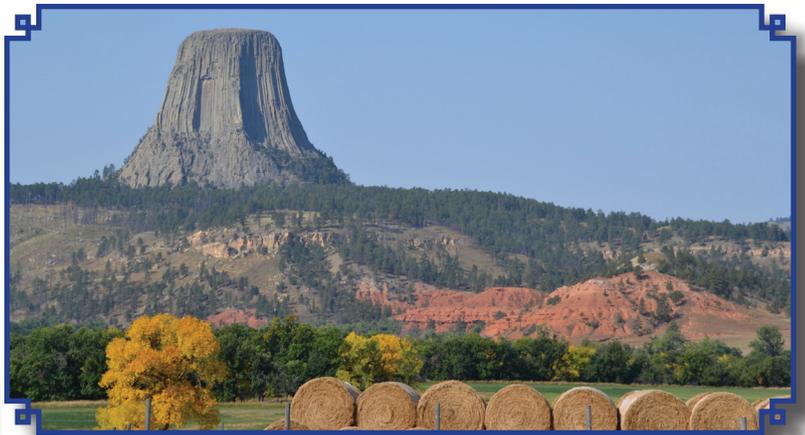

We look forward to seeing you in Deadwood!

CONCLAVE 2019

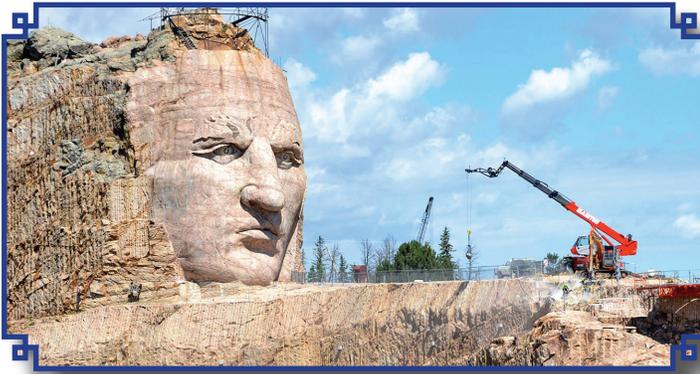

DATE CHANGE -- September 6-11

**OH, WHAT WONDERS YOU WILL SEE
ON ROADS AROUND DEADWOOD SD**

From Top Left: Crazy Horse Monument . Mount Rushmore National Monument
Devils Tower National Monument . Wind Cave National Park
Custer State Park Needles Highway & Curious Burros . Badlands National Park

Register for Black Hills Conclave 2019 @ www.mnhealey.com/conclave2019

CRAZY HORSE MONUMENT is funded by admission fees and donations. Government funding has been rejected by tribal leaders since Korczak Ziolkowski and his family began sculpting it in 1948. When completed, Mount Rushmore would fit under the armpit of the Lakota chief. The goal of Sioux tribal leaders is to create a lasting monument that helps protect and preserve the culture, tradition and living heritage of North American Indians. Crazy Horse was selected because he famously remarked of the Black Hills area, “My lands are where my dead lie buried.” In the future the memorial will fund a college that prepares young Native Americans for careers that benefit their tribes’ cultures, education and well-being. The memorial is 20 minutes south of Mount Rushmore off US 385 north of Custer, SD.

MOUNT RUSHMORE MEMORIAL was created by Congress in 1925, with sculpting by Gutzon Borglum and his team between 1927 and 1941. It is about 45 minutes south of Deadwood via US 385 and South Dakota 244.

BADLANDS NATIONAL PARK

protects 244,000 acres of sharply eroded buttes, pinnacles and spires blended with the largest undisturbed mixed grass prairie in the nation. Its striking geologic deposits contain one of the world’s richest fossil beds. Ancient mammals such as rhinos, horses, and saber-toothed cats once roamed here. The park’s expanse of mixed-grass prairie is home to bison, bighorn sheep, prairie dogs and black-footed ferrets today. It is 100 miles southeast of Deadwood off I-90.

CUSTER STATE PARK surrounding Mount Rushmore and Crazy Horse memorials is home to nearly 1,300 bison roaming its prairies and hills, which they share with pronghorn, big horn sheep, elk and curious burros. It also includes Needles Highway, Iron Mountain Road, Wildlife Loop Road and Mount Coolidge Lookout that collectively are part of the Peter Norbeck Scenic Byway, which has been named as one of Ten Most Outstanding Byways in America. It also boasts Sylvan Lake and four others. Custer State Game Lodge, Blue Bell Lodge and Sylvan Lake Lodge offer rustic and scenic luncheon and dinner venues.

WIND CAVE NATIONAL PARK

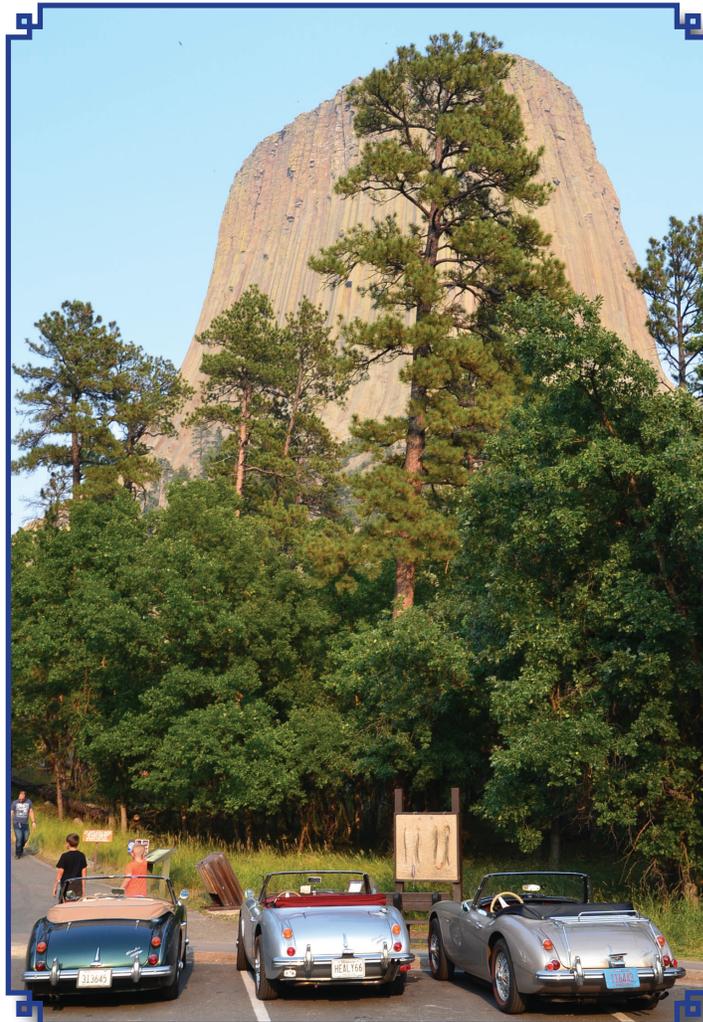

is named for the wind that blows from the cave's natural entrance, and also contains one of the last untouched expanses of American prairie. The cave has more than 140 miles of labyrinth-like tunnels, and contains the most boxwork (honeycomb-shaped) calcite formations of any known cave. It currently is ranked as the fifth-

largest cave in the world. When it was established in 1903 by President Theodore Roosevelt, the area became the first national park in the world protecting a cave. The park is 11 miles north of Hot Springs, SD, off US 385.

MAMMOTH SITE OF HOT SPRINGS

is the largest discovery of Columbian mammoths in North America. It is enclosed and protected by a climate-controlled building where the sinkhole and bones are displayed as they were found. Walkways allow visitors close-up views of the fossils. So far 61 - three woolly mammoths and 58 Colombian mammoths - have been identified, along with remains of a giant short-faced bear, camel, llama, prairie dog, wolf, fish and numerous other plant and invertebrate fossils. The site is south of Custer State Park and Wind Cave National Park off US 385/18.

DEVILS TOWER was declared the first U.S. national monument in 1906 by President Theodore Roosevelt. It includes 1,347 acres in northeast Wyoming, a scenic 90-minute drive from Deadwood along Spearfish Canyon Scenic Byway, through Belle Fourche, SD, and Aladdin, WY. The Devils Tower volcanic uplift rises dramatically 867 feet from base to summit. It was named in 1875 when an Army expedition's interpreter reportedly misunderstood a native name to mean "Bad God's Tower". Native Americans actually called it the "Bear's House" or "Bear's Lodge". See all of these wonderful sites and more for yourself.
